a. These figures are provisional for the current year.

b. The net registrations do not match the changes in the balance of registered workers because for the net registrations the unit of measure is labour relationships and for the balance is persons.

c. As from 1st January 2012 the special regimes for Agriculture and Domestic Employees are incorporated into the General Regime and are known as the Special Agricultural System and the Special Domestic Employees System.

d. It includes the registered workers for which there is no information about their sector of activity.
